Thank you for choosing Windsor Dermatology. To simplify and speed up your payment processes, we are happy to offer three additional choices along with our standard payment options:

*** Credit Card on File (CCOF)**

*** Online Bill Pay (available 24 hours a day)**

*** CareCredit**

You may now keep your credit card on file (CCOF) if you choose. Credit cards on file may be used to pay account balances after insurance has paid its portion. This makes it easier to pay deductibles and coinsurance whose amounts are not calculated by the insurer until days or weeks after the visit. Card numbers are stored securely throughout our HIPAA-compliant First Data credit card scanners or machines, administered by a financial institution. For your protection, only the last 4 digits of your card will appear in our system. You will be notified via email or phone message prior to any charge being placed on your credit card.

Online bill pay. Account balances can now be paid online via a secure link on our website. This feature is available 24 hours a day and it's speedy and convenient. Go to www.windsordermatology.com and click on "pay my bill".

CareCredit. CareCredit is a health and wellness credit card designed specifically for patients interested in financing out-of-pocket health care expenses. This offers you a resource to help pay for care immediately. You may use it for cosmetic procedures, deductibles, balances, or products. Balances may be paid monthly and may be interest-free for up to six months.
